

## STEPS TO REACH GARI

THE FIRST TIME !

# What is GARI ?

GARI is a homegrown medium to share knowledge & information to whoever that shows interest.

On the other hand, it is a medium to enroll and attend sessions on topics that interest you.

It's pretty cool & informal..... Yet powerful!

In short – If you have the inclination, you can teach a topic of your interest at a time that you can decide, at other times, you can attend what others are offering if it suits you.
